To start viewing messages, select the forum you want to visit in the selection below. Dad used it for everything from hunting squirrels to killing pigs to the well. I pulled my father's ticket and the prize was a Remington Model 512. That kind of tiger swirl. Good - 80-90% condition (all parts/finished should be original). He ran away in 1991 and I haven't been in this since. The firearm has severe wear, doesn't work, or is damaged. I ran the fishing line from the front view, through the V at the rear view and the back of the screw, so I made brands with pencil. Very good - 90% - 95% condition (all parts/fine should be original). Not bad for the first time. Flashing in the desert at age 12. They also don't do as they used. Does anyone know what year it was made? They randomly picked me from the audience to take a note of the hat for the drawing of that Friday. #22 Rodney vallet 6 years ago #23 SiliconSorcerer 6 years ago #24 Ken 6 years ago In 2022 a new or used Remington Arms 512 Sportmaster value varies depending on supply and demand. The outer part of the pillow is a lighter metal. Which one is it? He decided to start with this relic that turned out to be a jewel. However, it's a big gun. Where should it be located in the Remington rifle? Thank you. #4 SiliconSorcerer 11 years ago left side of the barrel before the receiver will be letters. Poor - under 30% condition. 14 were made in - 13299 1941. And so on. Serial #'s started in 1954 for model 512X All models ceased production in 1968 No wonder the Japanese didn't want anything with a West Coast invasion. It's on the right, and I'm holding hands. I've never seen anyone like this. #3 box 11 years ago I just took 2 guns and one being the Remington Sportmaster Model 512 22-cal screw action on a backyard sale. You'll obviously stay in the family forever. #7 Silicon Sorcerer 10 years ago #8Mike 10 years old jim. the weapon sold this morning. morning E. It was hitting black on the target at 50 yards. The prices fired last year for those in very good conditions. I have one made in 1962 in excellent shape. I would like to think it was me, but I think it is the gun. #16 Pistol Pete 8 years old. I have a pair, #28 and #40 manufactured in 1940. Farms to this Remington 512, it is now addicted to filming. CNT seems to find the year in anyone. He passed away in 2003, but I still have that old rifle. N the point in the center hasis maintained by the same metal color. The 22 most accurate vision rifle I already had. If I sought it, he would easily make an irregular hole at 75 yards. It is in the same way #15 catman86 for 8 years, I have a Remington 512 in good conditions. Excellent - 95%+ condition with or without cash. There are still three days for bidding. LOL #21 Catman86 A 6 years old, thanks Rob for the information. I took -a to reach to shoot.
